March 14, 2024

Re: American Rescue Plan Act (ARP Act)

Dear Service Providers:

Attached is the City of Groves' Request for Proposals (RFP) for <u>professional administration</u> <u>services</u>. These services are being solicited to assist the City in project selection, administration of program(s) funded by the American Rescue Plan (ARP) Act as well as a review of ARP projects already completed or underway. The City of Groves received a total of \$6.1 million from the U.S. Treasury as allocated in the American Rescue Plan Act, Title IX: Subtitle M: Sec 603, and has allocated the funds toward local infrastructure needs. Program Administration services for those infrastructure projects and other eligible ARP-funded programs will remain within the scope of this procurement. If infrastructure projects are deemed feasible, engineering services will be solicited separately in a future Request for Qualifications (RFQ).

This RFP also covers the provision of professional administration services for programs that may be funded with ARP funds distributed by the State. The selected Service Provider will assist the City in the required administrative responsibilities, which might include project selection, as well as compliance, reporting, and close-out in addition to review of compliance of any ARP projects already completed or underway.

Service providers may submit proposals for any or all activities listed in the attached Scope of Work. Multiple contracts may be awarded as a result of this solicitation. The City will, in its sole discretion, determine the number of contracts awarded, and may decide not to award any contracts at all.

The submission requirements for your proposal are included in the attached RFP. Please submit a proposal of services and statement of qualifications as detailed in the submission requirements to:

Ms. Clarissa Thibodeaux, City Secretary City of Groves **RFP for Administration Professional Services** 3947 Lincoln Avenue Groves, TX 77619-4604

Proposals received after the deadline will not be considered for award, regardless of whether or not the delay was outside the control of the submitting provider. The City of Groves reserves the right to negotiate with any and all service providers submitting timely proposals.

The City of Groves is an Affirmative Action/Equal Opportunity Employer. Section 3 Residents, Minority Business Enterprises, Small Business Enterprises, Women Business Enterprises, Labor

Regarding potential funding from the ARP Act other than the Direct Allocation, the City will negotiate scope and pricing with the awarded vendor as those initiatives are identified.

The local government will consider dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises. As such, Proposers may specify any maximum limit to the total dollar value of program funds they are able and willing to manage. Service providers may submit proposals for any or all activities. Preference will be given to firm fixed pricing. The proposal must include all costs that are necessary to successfully complete these activities. The lowest/best price proposal will not be used as the sole basis for entering into this contract; rather, an award will be made to the service provider(s) providing the best value, cost, and other factors considered.

# The City reserves the right to negotiate pricing.

<u>Upon the award of this contract, profit (either percent/actual cost) must be identified and negotiated as a separate element of the price for any contract over \$50,000.00</u>.

The proposal received will be evaluated and ranked according to the following criteria using the rating sheet enclosed:

- C. System for Award Management. Service Providers should have a current registration in the System for Award Management (<a href="https://www.sam.gov/SAM/">https://www.sam.gov/SAM/</a>). The Service Provider and its Principals may not be debarred or suspended nor otherwise on the Excluded Parties List System (EPLS) in the System for Award Management (SAM). Include verification that the Service Provider as well as its Principals are not listed (are not debarred) through the System for Award Management (www.SAM.gov). Enclose a printout of the search results that <a href="includes the record date">includes the record date</a>. This clearance information should be included in the Service Provider's Proposal. The clearance in the Service Provider's proposal must be reverified prior to award. Federal awarding agencies may relax the timing of the requirement for active SAM registration at the time of allocation to expeditiously issue funding. At the time of award, the requirements of 2 CFR § 200.206, Federal awarding agency review of risk posed by recipients, continue to apply. Current registrants in SAM with active registrations expiring between April 1, 2024, and September 30, 2024, will automatically be afforded a one-time extension of 180 days. (2 CFR § 25.110).

	(b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause:	
	The [recipient] hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:	
	During the performance of this contract, the contractor agrees as follows:	
	(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion,	

sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order

11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the [recipient] under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such [recipient]; and refer the case to the Department of Justice for appropriate legal proceedings.

Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following: (a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.
