Biography

[Spanish version](#)

State Representative Christian Manuel is a native of Southeast Texas. Born in Nederland, he and his family are rooted in Port Arthur. He is the eldest of six siblings, four brothers and two sisters. Rep. Manuel's passion for politics is deeply ingrained in his life, thanks to his family's involvement and leadership in political activism. As a child, he grew up engaged in politics with the understanding of its impact on the community and state.

Representative Manuel has nearly two decades of professional experience in Texas state politics. As a veteran staffer, his role was pivotal in ensuring triumphs for the district. He started working for former State Representative Joseph Deshotel at the age of eighteen. Over time he progressed to Chief of Staff—a position he held for a decade. He gained the ability to maneuver within the complicated Texas political scene of congressmen, lobbyists, and industry experts with a sagacity that only comes with years of hard work and dedication.

In his first session as State Representative, he was recognized as Freshman of the Year by the Texas Legislative Black Caucus as he sent six bills to the Governor's desk. He successfully passed into law HB 3250/ HB 5012, which allows Beaumont to receive certain tax revenue derived from a hotel and convention center project and to pledge certain tax revenue for the payment of obligations related to the project. This legislation will boost the local economy by bringing in tourism revenue, increasing local business activity, creating job opportunities for residents, and generating tax revenue. Overall this will contribute to the development and appeal of the district, benefiting the local community while providing economic growth for Southeast Texas. Rep. Manuel has worked diligently to bring home victories for House District 22 and will continue to work tirelessly to help execute legislation for Jefferson County.

Christian's Stance on The Issues

Christian will fight for a better future not only for House District 22 but for all Texans.

Public Education

I understand the importance of public education, as a proud product of Port Arthur ISD. He will be a champion for HD-22 schools, using relationships I have built at the Texas Capitol to fight for our schools. I will work to ensure our children and their parents receive the best resources available, so our kids can be successful.

I am a loyal advocate for ALL children, especially those students with learning disabilities. As someone with dyslexia, I know firsthand how crucial access to specialized learning can be for kids with learning disabilities. The State must fund special education programs, teachers and support staff because ALL children deserve a great public education.

Healthcare

Currently, MILLIONS of Texans- adults and children alike- either have no insurance or are underinsured. As the fastest-growing state, it is unacceptable to have Texans go without healthcare coverage. I have worked on these issues for years as Chief of Staff, and have knowledge and understanding of how we can expand healthcare in Texas. We need leaders who are creative and hardworking, so we can ensure millions of Texans, including people right here in our community, get healthcare coverage. I promise to be your voice fighting for healthcare at the Capitol.

Flood Mitigation & Coastal Resiliency

As a 3rd Generation resident of Port Arthur, I know how important flood mitigation protecting our homes, community, and our resources; I will make sure our flood
