Article IX. Section 9-908 of the City of Groves Code of Ordinances states that “The parking of a vehicle or trailer, including recreational vehicles, in the front or side yard of a residence in any district is prohibited unless the parking space is a hard surfaced area.”

In the months following Hurricane Harvey exceptions were made regarding the parking of vehicles or trailers in yards. However, the City is now enforcing Article IX. Section 9-908 of the City’s Code of Ordinances. Rock, shell, or concrete are some of the approved materials to use on a parking space needed to store or park a vehicle, trailer, or recreational vehicle.

If you have any questions or need further information regarding parking of vehicles please contact Adam Mayea, Code Enforcement Officer, at 409-960-5775 or by email at: [amayea@cigrovestx.com](mailto:amayea@cigrovestx.com).
