September 30, 2020

Carefully consider use of playgrounds, and help children follow guidelines.

In communities where there is ongoing spread of COVID-19, playgrounds can be hard to keep safe because:

- They are often crowded and could make social distancing difficult;
- The City DOES NOT regularly clean and disinfect the playground equipment.
- SARS-CoV-2, the virus that causes COVID-10, can spread when young children touch contaminated objects, and then touch their eyes, nose or mouth.

If you choose to visit a playground:

- Maintain a distance of at least 6 feet away from people you don't live with.
- Wash hands with soap and water for at least 20 seconds;
- Adults and older children who can safely use hand sanitizer

**DUE TO COVID-19, THE CITY DOES NOT RECOMMEND USE OF THE PLAYGROUND EQUIPMENT AT THIS TIME.**
